

Mount Tabor Marching Spartans Volunteer Opportunities for Parents

Thank you for being a part of the Mount Tabor Marching Spartans Parents!

The Mount Tabor Marching Spartans is an award winning marching band. Our students and the instructors work very hard to perfect their music and marching and, as parents, we need to support them to help them be the best group they can be.

We need every parent to participate. There are many different opportunities to support the band. Please read through the following volunteer opportunities and let us know if there is an area of a particular interest or check out the signup.com info below to sign up for particular volunteer spots.

It is very important for accountability and liability that each person who plans to volunteer in any capacity in the WS/FC School System register on the school system's website. This annual registration will cover you for all your Mt. Tabor volunteering (and any other school you choose). It is remarkably fast and easy to use. If you registered last year, it's even faster and easier!
